This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

Det här är en digital kopia av en bok som har bevarats i generationer på bibliotekens hyllor innan Google omsorgsfullt skannade in den. Det är en del av ett projekt för att göra all världens böcker möjliga att upptäcka på nätet.

Den har överlevt så länge att upphovsrätten har utgått och boken har blivit allmän egendom. En bok i allmän egendom är en bok som aldrig har varit belagd med upphovsrätt eller vars skyddstid har löpt ut. Huruvida en bok har blivit allmän egendom eller inte varierar från land till land. Sådana böcker är portar till det förflutna och representerar ett överflöd av historia, kultur och kunskap som många gånger är svårt att upptäcka.

Markeringar, noteringar och andra marginalanteckningar i den ursprungliga boken finns med i filen. Det är en påminnelse om bokens långa färd från förlaget till ett bibliotek och slutligen till dig.

Riktlinjer för användning

Google är stolt över att digitalisera böcker som har blivit allmän egendom i samarbete med bibliotek och göra dem tillgängliga för alla. Dessa böcker tillhör mänskligheten, och vi förvaltar bara kulturarvet. Men det här arbetet kostar mycket pengar, så för att vi ska kunna fortsätta att tillhandahålla denna resurs, har vi vidtagit åtgärder för att förhindra kommersiella företags missbruk. Vi har bland annat infört tekniska inskränkningar för automatiserade frågor.

Vi ber dig även att:

- Endast använda filerna utan ekonomisk vinning i åtanke
  Vi har tagit fram Google boksökning för att det ska användas av enskilda personer, och vi vill att du använder dessa filer för enskilt, ideellt bruk.
- Avstå från automatiska frågor
  Skicka inte automatiska frågor av något slag till Googles system. Om du forskar i maskinöversättning, textigenkänning eller andra områden där det är intressant att få tillgång till stora mängder text, ta då kontakt med oss. Vi ser gärna att material som är allmän egendom används för dessa syften och kan kanske hjälpa till om du har ytterligare behov.
- Bibehålla upphovsmärket
  Googles "vattenstämpel" som finns i varje fil är nödvändig för att informera allmänheten om det här projektet och att hjälpa dem att hitta ytterligare material på Google boksökning. Ta inte bort den.
- Håll dig på rätt sida om lagen
  Oavsett vad du gör ska du komma ihåg att du bär ansvaret för att se till att det du gör är lagligt. Förutsätt inte att en bok har blivit allmän egendom i andra länder bara för att vi tror att den har blivit det för läsare i USA. Huruvida en bok skyddas av upphovsrätt skiljer sig åt från land till land, och vi kan inte ge dig några råd om det är tillåtet att använda en viss bok på ett särskilt sätt. Förutsätt inte att en bok går att använda på vilket sätt som helst var som helst i världen bara för att den dyker upp i Google boksökning. Skadeståndet för upphovsrättsbrott kan vara mycket högt.

Om Google boksökning

Googles mål är att ordna världens information och göra den användbar och tillgänglig överallt. Google boksökning hjälper läsare att upptäcka världens böcker och författare och förläggare att nå nya målgrupper. Du kan söka igenom all text i den här boken på webben på följande länk `http://books.google.com/`

SVENSK-ENGELSK

HAND-ORDBOK.

UTGIFVEN

AF

V. E. ÖMAN.

ÖREBRO 1872,
ABR. BOHLINS BOKTRYCKERI.

LIBRARY OF THE TAYLOR INSTITUTION
UNIVERSITY
- 8 OCT. 1943
OF OXFORD

Förord.

Redan för flera år tillbaka anmodades Utgifvaren af förläggaren till nu framträdande ordbok att företaga en öfverarbetning af C. Deléens Svensk-Engelska handlexikon, för en ny upplaga af hämda lexikon, hvartill förlagsrätten tillhörde den firma, N. M. Lindh, hvilken förläggaren då innehade. Det visade sig imellertid snart, att en öfverarbetning näppeligen skulle kunnat göra till fylles, ja att omarbetningen måste blifva så genomgripande, att den tillämnade nya upplagan i stället blefve ett nytt verk. Med begagnande af de hjälpkällor, den nyare språkvetenskapliga literaturen i rikt mått erbjuder, har detta arbete i nu föreliggande ordbok blifvit utfördt efter den plan, som var föreskrifven af på förhand bestämmande hänsigter till bokens omfång och pris. En viss ekonomi i upptagande af *fraser* blef en nödvändig följd af denna inskränkning: arbetet måste uppträda i den mindre anspråksfulla skepnaden af en *handordbok*, inrymmande blott det nödvändigaste. Huruvida det lyckats Utgifvaren att vid sitt urval någorlunda motsvara billiga anspråk på fullständighet i *det väsendtliga*, må andra afgöra. Att förfärdiga en språklig "lathund" för den rama okunnigheten, har Utgifvaren icke satt såsom sin uppgift. Vid öfversättningen från ett språk till ett annat, måste man alltid ega rätt att hos öfversättaren förutsätta icke blott försvarlig kännedom af det främmande språkets grammatik, utan äfven någon beläsenhet i dess literatur, någon bekantskap med dess vanligaste uttryckssätt. I annat fall skulle äfven den digraste volym icke vara tillräcklig att lemna nödig fingervisning för åstadkommande af en korrekt öfversättning på några rader.

Bland de flera omständigheter, som nog länge fördröjt utgifvandet af denna ordbok, må här endast *en* anföras. Förläggaren, som önskade att så ordna det typografiska, att reda och prydlighet förenades med besparing af utrymme, lät, för vinnande af detta syfte, enkom för denna ordbok gjuta särskildt beräknade typer, hvilkas färdiggörande tog en ej ringa tid i anspråk. Vid den typografiska anordningen afsågs äfven att ordboken borde blifva lätt användbar icke blott för Svenskar och i länder, der Engelskt språk talas, bosatta skandinaviska emigranter, utan äfven för de Engelsmän och Amerikaner, hvilka önska en prisbillig vägledning vid studiet af Svenskt språk och Svensk literatur. Men om detta ändamål skulle vinnas, var det nödigt att alldeles undvika bruket af *fraktur*-stil, den af ålder orätt såsom svensk benämda stilsort, vid hvilken ej blott Engelsmän och Amerikaner samt de med oss ännu närmare befryndade Holländarne, utan derjämte alla folk med romaniskt tungomål äro alldeles ovana, ja hvilken stilsort för flertalet af dessa folk nära nog är en styggelse. Genom användande af särskilda arter af antiqua (latinsk) stil: **egyptisk**

för de svenska hufvudorden, **jonisk** för de afledda orden samt för öfrigt, jämte vanlig textstil, *kursivering* och spärrning der sådant erfordrats, har imellertid, såsom Utgifvaren tror, vunnits en öfverskådlighet och reda i det yttre, hvarigenom bokens användbarhet för så väl Svenskar som utländingar i hög grad ökats. Om det afsedda ändamålet med denna anordning — det att göra ordboken användbar så väl för Sveriges ungdom och läsande allmänhet som för våra talrika, i Europa och andra verldsdelar bosatta landsmän, samt för utländingar i allmänhet — blifvit vunnet, så skall den derigenom föranledda tillökning i förlagskostnaden säkerligen kunna anses väl använd.

Måhända torde någon önskat att Utgifvaren skulle här ingå i någon utförligare redogörelse för den plan han följt vid utarbetningen, de motiv som i särskilda fall bestämt honom härvid, o. s. v. Men då detta dels lätt skulle kunna föra in i en ofruktbar polemik, dels skulle, utan motsvarande gagn, öka bokens vidd och kostnad, samt dessutom det ena och andra, vid granskning af ordboken, lätteligen uppfattas af den sakkunnige, har Utgifvaren ansett sig kunna afstå från hvarje försök till en dylik redogörelse. — I afseende på bruket af i Svenska språket inblandade främmande ord, skulle han gärna velat instämma i hvad den gamle vördnadsvärde Serenius härom yttrat (Engelskt-Svenskt lexikon, 1757): "Hvad främmande ord angår, så har jag haft för regel att de hvarken böra ratas eller lätteligen brukas; ty på den ena sidan mister språket sin drygsel, om alla främmande ord utmönstras, och på den andra, sin värdighet, om de brukas utan hof och granskning. Derför har jag så tänkt, att när de äro så hemma hos oss, att allmogen förstår dem, böra de anses för aflinge, och ju då för omisteliga, när vi med *ett* sådant kunna undgå tu svenska. Men derimot när de icke äro så ökände, böra de ingalunda tålas, så länge jämngoda finnas i modersmålet; ty de omskapa med tiden vårt myndiga svenska språk till ett *blandmåle* (lingua Franca), som . . . . ." Men Utgifvaren måste tyvärr erkänna att han, ehuru motvilligt, ofta funnit sig tvungen att afvika från denna regel, enär äfven sådana främmande ord, som alltför väl kunde undvaras, så öfverflödande begagnas i mången Svensk skrift, att deras uteslutning skulle kunnat göra ordboken för en och annan mindre brukbar.

I stor förbindelse står Utgifvaren till hr professorn *George Stephens* i Köpenhamn, hvilken utmärkte språkkännare, efter anmodan af förläggaren, haft godheten att, ark för ark, egna korrekturet granskning och göra värdefulla tillägg.

Med tacksamhet för godt biträde önskar Utgifvaren dessutom särskildt få nämna icke blott läraren i lefvande språk hr *S. G. Wallström*, som likaledes genomgått korrekturet och på många ställen riktat arbetet med förträffliga bidrag; utan äfven hr *Fredr. Hammarström*, som verkställt bokens sättning, men hvars förtjänst härvidlag ingalunda inskränker sig till det blott och bart typografiska: hans alltid vakna öga och hans bekantskap med Engelskan ha alltigenom underlättat Utgifvarens möda med det rent formella och i icke få fall kommit äfven innehållet till godo.

A.

Abbé, *m.* abbe. **-dissa,** *f.* abbess.
abbot, *m.* abbot. **-s döme,** *n.* abbey, abbacy.
abbreviation, *f.* abbreviation. **abbreviera,** *v. a.* to abbreviate, to abridge.
abc-bok, *f.* spelling-book, primer, hornbook. **-darie,** *m.* abecedarian.
abdikation, *f.* abdication. **abdikera,** *v. n.* to abdicate.
aberration, *f.* aberration.
abiturient, *m.* scholar leaving school for the university.
ablativ, *m.* ablative.
abnorm, *adj.* abnormal. **-itet,** *f.* abnormity.
abonn-ement, *n.* subscription. **-ent,** *m.* subscriber. **-era,** *v. n.* to subscribe *(to)*.
aborre, *m.* perch. **-gräs,** *n.* **-nate,** *m.* pond-weed.
abrahamsrot, *f.* stork's-bill.
abrakadabra, *n.* abracadabra.
abrupt, *adj.* abrupt.
absentera sig, *v. r.* to absent one's self.
absolut, *adj.* absolute. *adv.* a.-ly. **-ion,** *f.* absolution *(from)*. **-ism,** *m.* absolutism. **-ist,** *m.* absolutist.
absolvera, *v. a.* *(gifva aflösning)* to absolve *(from)*; *(fullborda)* to finish, to end.
absorbera, *v. a.* to absorb. **absorption,** *f.* absorption.
abstrahera, *v. a.* to abstract *(from)*. *A. från något*, to withdraw from consideration. **abstrakt,** *adj.* abstract, abstracted. **-ion,** *f.* abstraction.
absurd, *adj.* absurd. **-itet,** *f.* absurdity.
accent, *m.* accent. **-lös,** *adj.* unaccented. **-uation,** *f.* accentuation. **-uera,** *v. a.* to accent. **-uering,** *f.* accentuation.
accept, *n.* acceptance. **-ant,** *m.* acceptor. **-era,** *v. a.* to accept. **-ering,** *f.* acceptation.
accessit, *n.* second best premium.
accidentel, *adj.* accidental.
accis, *m.* excise. **-bar,** *adj.* exciseable. **-kammare,** *m.* excise-office. **-rätt,** *m.* e.-court. **-sedel,** *m.* e.-bill. **-uppbördsman,** *m.* e.-man.
ack, *int.* alas! alack! ah! oh! o!
acklamation, *f.* acclamation.
ackleja, *f.* aquilegia, columbine.
acklimatis-era, *v. a.* to acclimatize, to acclimate. **-ation,** *f.* acclimation.
ackommodera, *v. a.* to accommodate *(to)*. *A. sig efter*, to accommodate one's self to, to comply with. *Det a-r mig ej*, it does not suit my purpose, it is not convenient for me.
ackompanj-emang, *n.* accompaniment. **-era,** *v. a.* to accompany.
ackord, *n.* *(mus.)* accord, chord; *(öfverensk.)* accord, agreement, settlement, contract; *(med borgenärer)* composition. *På a.*, by (the) job, by contract. *Göra a.*, to make an agreement [composition, *etc.*]. *Åtaga sig på a.*, to undertake by contract. **-era,** *v. n.* *(musik)* to accord; *(öfverensk.)* to contract *(for)*, to bargain *(for)*, to agree *(on)*. *A. sig till en sysla*, to agree for a commission. *A. in sig*, to board *(with)*.
ackreditera, *v. a.* to accredit.
ackurat, *adj.* accurate, precise. **-ess,** *f.* accurateness, accuracy.
ackusativ, *m.* accusative, objective case.
ackusch-era, *v. n.* to be delivered *(of)*. **-ör,** *m.* man-midwife. **-örska,** *f.* midwife.
acqvisition, *f.* acquisition, acquirement.
acta, *n. pl.* acts, deeds. *Lägga ad a.*, to register, to pass over.
acutus, *m.* acute accent.
adagio, *n.* adagio; *adv.* adagio.
adamsäpple, *n.* Adam's-apple.

addera, *v. a.* to add [cast, sum] up. **addition,** *f.* addition. **-s tabell,** *m.* a.-table. **-s tecken,** *n.* plus.

adel, *m.* nobility; nobleness (of the mind). **-ig,** *adj.* noble. **-s bref,** *n.* nobility-diploma, charter [patent] of nobility. **-s dam,** *f.* lady, noblewoman. **-skap,** *n.* nobility. **-s man,** *m.* nobleman. **-s matrikel,** *m.* book of the peerage. **-s privilegier,** *n. pl.* privileges of the nobility. **-s stånd,** *n.* nobility. **-s valp,** *m.* lordling. **-s välde,** *n.* aristocracy. **-s vapen,** *n.* arms, coat of arms. **-s värdighet,** *f.* nobility. — **adla,** *v. a. (upphöja i adelsstånd)* to make noble, to knight, to ennoble; *(förädla)* to ennoble. **-nde,** *n.* knighting, ennobling, ennoblement.

adept, *m.* adept.

adeqvat, *adj.* adequate *(to).* [eenth.

aderton, *adj.* eighteen. **-de,** *adj.* eight-

adhesion, *f.* adhesion.

adjektiv, *n.* adjective. **-isk,** *adj.* adjectival. **-t,** *adv.* adjectively.

adjungera, *v. a.* to adjoin *(to),* to associate *(with),* to give as an assistant.

adjunkt, *m. (lärare)* assistant master; usher; *(prest)* curate. **-ur,** *m.* office of an assistant master. [**gel,** *m.* adjutant.

adjutant, *m.* adjutant, aid-de-camp. **-fo-**

adjö, *int.* adieu, good bye, farewell. *Taga a.,* to bid farewell, to take one's leave.

administr-era, *v. a.* to administer. **-ation,** *f.* administration, inspectorship. **-ativ,** *adj.* administrative. **-atör,** *m.* administrator.

admittera, *v. a.* to admit *(to, into).*

adonisblomster, *n.* Adonis.

adopt-era, *v. a.* to adopt, to affiliate. **-ion,** *f.* adoption, filiation. **-iv,** *adj.* adoptive, adopted. *A. son,* adoptive son.

adress, *m.* address, direction; superscription. *Adressen på brefvet,* the address [superscription] of the letter. *Utan a.,* undirected, not directed. **-at,** *m.* the person addressed. **-era,** *v. a.* to address, to direct, to superscribe; to consign (a cargo to a merchant). *A. sig till,* to apply to. **-kalender,** *m.* directory. **-kontor,** *n.* intelligence-office. **-kort,** *n.* address-card.

advent, *n.* Advent. **-ssöndag,** *m.* A.-sunday.

adverb, *n.* adverb. **-ial,** *adj.* adverbial.

advocera, *v. n.* to plead *(for),* to advocate *(for),* to plead as advocate. **advokat,** *m.* advocate, lawyer, attorney, barrister. **-fiskal,** *m.* public prosecutor. **-knep,** *n.* lawyer's trick. **-orisk,** *adj.* evasive. **-ur,** *f.* advocacy, advocation.

adynami, *f.* adynamy. **-sk,** *adj.* adynamic.

aerodynamik, *f.* aerodynamics.

aerolith, *m.* aerolite.

aerometer, *m.* aerometer. [nautics.

aeronaut, *m.* aeronaut. **-ik,** *f.* aero-

aerostat, *m.* aerostat. **-isk,** *adj.* aerostatic.

af, *prep.* of, off; by, with. *Af gammal familj,* of an ancient family. *Af kristlig körlek,* out of charity. *Af kläde,* of cloth. *Träffad af en pil,* hit by an arrow. *Drucken af vin,* drunk with wine. *Stel af köld,* benumbed with cold. *En man af snille,* a man of genius. *En af mina vänner,* a friend of mine. *Taga af sig hatten,* to take off one's hat. *Konungen af Sverige,* the king of Sweden. *Förföljd af fienden,* pursued by the enemy. *Älskad af alla,* loved by all. *Käppen är af,* the stick is broken off. *Gå af,* to break, to give way, to go off. *Af begynnelsen,* from the beginning. *Af den orsaken,* for that reason, on that account. *Af idel godhet,* out of mere kindness. *Af Gudi,* from God. *Göra af med sig,* to commit suicide, to make away with one's self, to make ones self away. *Komma af sig (förfalla),* to go down, to decay. *Komma af sig i tal,* to be at a nonplus [a stand]. *Ni gör att jag kommer af mig,* you put me out. *Bli af med,* to get rid of. *Vara af med,* to be rid of. *Af och an,* to and fro [up and down]. *Af sig sjelf,* of one's own accord. *Vara ond af sig,* to be of an angry temper.

afarbeta, *v. a.* to work off, to pay off by labour.

afart, *m.* variety.

afbalka, *v. a.* to partition off. **-ning,** *f.* partition.

afbanda, *v. a.* to unhoop.

afbarka, *v. a.* to bark, to rind, to peel off the bark.
afbasta, *v. a.* to strip the bast off.
afbedja, *v. a.* to deprecate, to beg pardon for. **-nde,** *n.* deprecation, begging pardon.
afberga, *se* **afbärga.**
afbeta, *v. a.* to graze, to browse.
afbetala, *v. a.* to pay off. **-ning,** *f.* paying off; instalment.
afbetsla, *v. a.* to take off the bridle, [to unbridle.
afbida, *v. a.* to wait for, to wait out, to await, to stay for, to attend, to expect, to abide. *A. tiden,* to temporize, to take one's chance. **-n,** *f.* waiting [staying] for, expectation *(of).*
afbild, *m.* image, copy, picture, portrait. **-a,** *v. a.* to delineate, to depict, to model, to form, to portray, to paint, to represent, to figure, to take off, to copy *(from),* to draw the figure of, to imitate. **-ning,** *f.* copy, representation, picture, portrait, imitation.
afbinda, *v. a.* to untie; to get rid of by [binding round.
afbita, *v. a.* to bite off; *(afsnäsa)* to snap [turn] off. *A. naglarne,* to bite one's nails. **-en,** *adj. (bot.)* premorse; *(afsnäst)* cut [turned] off.
afblåsa, *v. a.* o. *n.* to blow off [away]. *A. en riksdag,* to dissolve a diet.
afbläda, *v. a.* to pull [pluck, strip] off the leaves.
afborsta, *v. a.* to brush, to brush off, [to brush clean.
afbrinna, *v. n.* to burn down [off], to be destroyed [consumed] by fire; *(om gevär)* to go off.
afbrista, *v. n.* to break, to break off.
afbrott, *n. (uppehåll)* interruption, discontinuance, stop; *(kontrast)* contrast *(to, with). Göra a. mot,* to contrast with.
afbryta, *v. a. (bryta sönder)* to break, to break off [asunder], to snap; *(hindra)* to interrupt, to stop; *(hålla upp)* to discontinue, to leave off, to pause, to stop; *(bilda motsats)* to contrast *(with). A. en blomma,* to pluck (off) a flower. **-bruten,** *adj.* broken off; *(fig.)* interrupted. *Afbrutna ord,* broken words.
afbräck, *n.* damage, injury, detriment, loss, harm, abatement. *Lida a.,* to suffer damage [abatement]. *Göra a.,* to damage, to injure. *Göra fienden a.,* to distress [harass, annoy] the enemy. **-a,** *v. a.* to break off.
afbränna, *v. a.* to burn off [down, away]; *(ett gevär)* to fire off, to discharge; *(ett fyrverkeri)* to let [play] off; *(kem.)* to deflagrate. **-ing,** *f. (afbrännande)* burning down; *(förlust)* expenditure, loss, damage; *(kem.)* deflagration.
afbrösta, *v. a.* to raise [remove] the catch (of a cannon).
afbulta, *v. a.* to knock off.
afbärga, *v. a.* to harvest, to mow, to reap, to crop. *A. en äng,* to mow off the hay in a meadow. **-ning,** *n.* harvesting.
afböja, *v. a.* to bend off, to turn aside; *(en olycka)* to avert; *(ett hugg, en stöt)* to ward off, to parry; *(ett anbud)* to decline, to refuse.
afbön, *f.* deprecation, apology. *Göra a.,* to beg [ask] pardon. *Göra offentlig a.,* to make honourable amends.
afbörda, *v. a.* **a. sig,** *v. r.* to discharge, to exonerate, to acquit one's self of. *A. en skuld,* to discharge [pay] a debt. *A. sig en beskyllning,* to exonerate one's self from a charge.
afcirkla, *v. a.* to measure with com- [passes.
afdagataga, *v. a.* to put to death, to dispatch, to kill. **-nde,** *n.* killing.
afdamma, *v. a.* to dust, to clean from [dust.
afdanka, *v. a.* to dismiss *(from),* to discharge *(of, from),* to discard, to divest *(of an office). A. soldater,* to disband [to break up; *som straff:* to cashier] soldiers. *En afdankad officer,* a broken officer. **-ning,** *f.* discharge, disbanding, discarding, dismissal, cassation.
afdansa, *v. a.* to take away [off] in dancing; to dance off.
afdela, *v. a.* to divide *(into),* to part, to parcel; to partition *(into);* to separate with a partition wall; *(i klasser)* to classify. **-ning,** *f.* division, partition; *(fack)* compartment; *(i klasser)* classification; *(af en skrift)* section; *(milit.)* detachment.
afdika, *v. a.* to ditch [dike] off, to drain. **-ning,** *f.* diking, draining.
afdofta, *v. n.* to evaporate.

afdomna, *v. n.* to grow numb *(with)*, to get [grow] torpid.

afdrag, *n.* deduction, subtraction; *(i handel, etc.)* discount, allowance, rebatement, abatement; *(boktr.)* proof-sheet, copy; *(i vigt)* tare. *Efter a. af alla kostnaderna*, all charges borne. *Efter a. af alla skulder*, clear after debts paid. *Utan a.*, clear. **-a,** *v. a.* to draw off; *(kläder, ringar o. dyl.)* to take off, to pull off; *(handel)* to abate, to rebate, to deduct, to discount; *(boktr.)* to take an impression [a proof-sheet]. *A. huden*, to strip off the skin, to flay. **-are,** *m.* flayer.

afdricka, *v. a.* to drink off.

afdrifning, *f. (metallers)* refining, deflagration, affinage; *(vid jagt)* beating up. **-drifva,** *v. a. (met.)* to deflagrate, to refine; *(jagt)* to beat up. **-drifvare,** *m.* refiner. [drive to leeward.

afdrift, *f.* leeway. **-drifva,** *v. n.* to

afdrypa, *v. n.* to drip [drop] off.

afduka, *v. a.* to remove the cloth, to clear the table. **-ande,** *n.* clearing the table. [*f.* evaporation.

afdunsta, *v. n.* to evaporate. **-ning,**

afdåna, *v. n.* to swoon away, to faint. **-ing,** *f.* swoon, fainting.

afdämma, *v. a.* to dam, to dam out. **-ning,** *f.* damming up; dam, mole, embankment.

afdöd, *adj.* dead, deceased, defunct.

afdöma, *v. a.* to pronounce [pass] a sentence *(on)*, to judge, to decide; *(en rättegång)* to determine; *(en tvist)* to arbitrate.

affall, *n. (från en sak, ett parti)* defection, desertion; *(från grundsatser)* apostasy; *(från pligt, trohet)* revolt; *(aflopp)* fall, declivity, slope, descent of water; *(afskräde)* leavings, remains, scrapings, chips, offal. **-a,** *v. n. (bortfalla)* to fall off; *(öfvergifva)* to desert, to fall off from; to apostatize; *(förfalla, magra)* to decay, to decline, to fall away, to lose flesh. **-en,** *adj.* decayed, emaciated.

affalsa, *v. a. (garfveri)* to shave off.

affart, *f.* departure.

affatta, *v. a. (i ord)* to write, to write [pen, word] down, to commit to writing, to compose, to couch; *(upprita)* to draw up, to lay down. **-ning,** *f.* composition, drawing up.

affeja, *v. a.* to rub off.

affekt, *m.* affection, emotion, passion. **-ation,** *f.* affectation. **-era,** *v. a.* to affect. **-erad,** *adj.* affected (*adv.* -ly). **-ion,** *f.* affection. **-ionerad,** *adj.* affectionate (*adv.* -ly). **-lös,** *adj.* dispassionate.

afficiera, *v. a.* to affect.

affila, *v. a.* to file off.

affinitet, *f.* affinity *(with, to)*.
